Form and Content of Applications

Application form not required. Proposals should be submitted via the Foundation's online application portal on its website. Before submitting a formal grant request, prospective grantees are encouraged to submit an informal inquiry to [fdns@woodruff.org](mailto:fdns@woodruff.org). The grant requests should be made in letter form and include the following information:

- A description of the organization, its purposes, programs, staffing and governing board
- The organization's latest financial statements including the most recent audit report
- A description of the proposed project and full justification for its funding
- An itemized project budget including other sources of support in hand or anticipated

Any Submission Deadlines

Grant applications are considered in April and Nov. for requests received by Feb. 1 and Aug. 15th.

Restrictions and Limitations on Awards

The Foundation makes grants to public charities located in Georgia and Virginia, with a particular focus on private secondary and higher education, arts and culture, and museums and historic preservation. Grants in Georgia are typically reserved for organizations operating in metropolitan Atlanta; grants in Virginia are typically reserved only for those organizations that Mrs. Lettie Pate Evans supported during her life. Traditionally, preference has been given to one-time capital projects and to other extraordinary needs of well-established organizations with a broad base of community support and proven ability to meet an annual operating budget. Grants for regular operating expenses are avoided. No grants are made to individuals.

Form and Content of Applications

- Evidence from the IRS of the organization's tax-exempt status and that the applying organization itself is not a private foundation.
